

YOU MADE IT POSSIBLE

A big hug and deep appreciation to all our donors who made the "Building Hope" campaign such a great success. With late donations, we have surpassed one million dollars! The house has been operational since May 2011. The landscaping is second to none, thanks to a generous community benefactor. Forty-eight families get relief on a monthly basis. Their children are stimulated and happy, and parents get the break they need.

The project will require regular capital improvements and specialized equipment purchases in the months and years to come. We will continue to need your help to make investments in such things as a generator, an elevator, educational materials and outdoor furniture. All these items will need to be customized to meet the requirements of children with special needs.

Donors have already come forward with pledges of continuing support. This project is a clear demonstration of what can happen when the community gets behind a cause. Thanks for the confidence you have in us and for the trust that your dollars will continue to be well spent!

Gary Whittaker, *Chairman*
The Building Hope Campaign

BUILDING HOPE

OUR PARTNERSHIP FOR SUCCESS

This project was a public-private partnership between the Taylor-Birks Foundation and West Montreal Readaptation Centre (WMRC). The Taylor-Birks Foundation is committed to mobilizing community resources in support of the children and families who desperately need our help.

This project allowed WMRC to offer respite services to families who had been shut out of them due to the complex needs of their child. Going months, if not years, without relief can wreak havoc on families and the bonds that tie them together. The results of this campaign will go a long way towards preserving those families.

This partnership can grow with the help of our community. Our foundation is only as strong as all of the individuals, companies and organizations who generously helped.

Your continued support will help us to keep families together!

THANK YOU!

We would like to extend our heartfelt thanks to all our donors. Notable major donations to the campaign were received from the following foundations, corporations and community members:

GOLD

Eleanor Côté Foundation
Power Corporation of Canada
Rotary Club of Westmount
Service d'adaptation et d'intégration de Montréal (SAIM)
Paramount Group
Tenaquip Foundation
Trottier Family Foundation

SILVER

Desjardins
Beaconsfield Men's Slo-Pitch League
